VALUE STATEMENT

I uphold the principles of competence, integrity, and accountability as fundamental pillars of professional excellence. Recognizing that inefficiency and lack of responsibility often hinder organizational success, I am committed to maintaining high standards of professionalism in all my undertakings. I strive to cultivate self-awareness, discipline, and intrinsic motivation, while consistently applying ethical practices and integrity in every responsibility entrusted to me.

CAREER OBJECTIVE

To effectively apply my knowledge and skills in Pure Mathematics, Computer Science, IT Support, and Software Development within a dynamic organization, contributing to data-driven solutions, software development, and problem-solving initiatives. I seek to continuously enhance my professional capabilities while supporting the achievement of organizational goals through innovation, analytical thinking, and technical expertise.

CAREER PURPOSE

To utilize my software development, IT support, and analytical skills to address real-world challenges and contribute to impactful, technology-driven solutions. I aim to grow within forward-thinking organizations where I can deliver value through diligence, innovation, and continuous learning, while contributing to sustainable development and organizational excellence.

YEAR OF STUDY : 2016-2020
QUALIFICATION : KENYA CERTIFICATE OF SECONDARY EDUCATION (KCSE)

NAME OF INSTITUTION : NYABOTERERE PRIMARY SCHOOL
YEAR OF STUDY : 2008-2015
QUALIFICATION : KENYA CERTIFICATE OF PRIMARY EDUCATION (KCPE)

PROFESSIONAL QUALIFICATIONS

NAME OF INSTITUTION : CISCO NETWORKING ACADEMY
YEAR OF STUDY :2022-PRESENT
QUALIFICATION : CERTIFICATIONS IN;

- Python programming language
- Website Development
- Mobile and Web app full stack development
- Programming Essentials in C++
- Introduction to Cybersecurity
- Advanced Programming in C++
- Cybersecurity Essentials

ABOUT ME

A motivated and detail-oriented IT Support Analyst and Software Developer with hands-on experience in full-stack development, networking, data processing, and system support. Skilled in installing and configuring Windows systems, troubleshooting network and software issues, and supporting users in onsite and remote environments. Demonstrates strong problem-solving ability, teamwork, and a continuous learning mindset.

WORK EXPERIENCE

ICT Assistant – Kaaga Boys Senior School

IT Support & Systems Support – Practical / Project-Based Experience

- Installed, configured, and maintained Windows 10 systems for desktops and laptops.
- Troubleshot network connectivity issues (LAN/Wi-Fi), driver problems, and software errors.
- Provided onsite and remote user support for system setup and application use.
- Assisted with system documentation and basic run-books for installations and troubleshooting procedures.
- Supported installation of office and productivity software (LibreOffice, Microsoft Office).
- Practiced system security basics including updates, antivirus checks, and safe system usage.

PROJECTS
